Tippmann Tech Classes Join the Festival

Pittsburgh, Pa – Team Effort Events is proud to announce that Major Sponsor Tippmann Sports will be conducting a Certified Tech Class on Friday, August 5th, 2011 at the Paintball Festival and Business Conference. The classes will instruct how to properly handle and maintain several of Tippmann's paintball markers. Upon completion of the course, Tippmann will then certify your paintball field or store as a certified tech center and a listing on the company website.

To register for the Tippmann Tech Classes, please contact the course administrator Erich Garbers, at 800-533-4831, x3137 or by email at egarbers@tippmann.com. Only qualified paintball stores will be accepted as a requirement of the program and spaces are limited.

The 2011 Paintball Festival and Business Conference will take place August 5, 6, 7th 2011 at the Four Points Sheraton Pittsburgh North. The Business Conference will consist of top professionals sharing their expertise with field owners and manufacturers to help educate and motivate advancement of the paintball industry. Following the conference the 2011 Paintball Festival will kick off a weekend of "Total Immersion" including a Trade Show, two day scenario game, 10-man Ultimate Woodsball League event, Tippmann Tech Classes and the Kingman KT challenge for \$2,000 in cash! Early sponsors include Empire, Tippmann, Valken, Pro Caps and Kingman with media support from 68Caliber, Paintball3x and Paintball.com

Mark your calendar and save the date! For more information or to register on line – go to www.PaintballFestival.com
